**THESE DAYS** you're likely to find a cottage in a remote location, with a small kitchen, a few chairs, and a wood-burning stove. But now, you can find a cottage that's as modern and stylish as any house you could buy in the city.

The 2014 Cottage & Cabin Show is the perfect time to see the latest in cottage design. The show is held at the Sheraton Grand Hotel Toronto Centre, and it's one of the largest and most popular events in the city.
